

Dear Kathy, 14-04-2010  
Attachment of special General Declaration by Passport Applicant from Brisbane Passport Officer John Milne.

He rang me this morning and discussed actual required documents .  
He advised that I could attach e-mail scanned documents to him ASAP so he could get the Approval from Canberra to book an appointment to see him in Brisbane.  
John appears to be a very helpful and obliging person so you may add him to your list of contacts in Brisbane DFAT Passport Office.

Contact as follows:- Attention John Milne  
Phone:-3405-4746  
Fax 3405 4700

Hope this will help your local trans people in obtaining a passport.  
Love & Peace  
Deanne

It could be of use. This is in regard to staying married after SRS, as I understand it.

Hi Kathy,  
No the particular form is in place of a Commonwealth Statutory Declaration with regard to applying for a Passport by Trans people in isolated areas, DFATs solution to NSW BDM discriminatory Legislation.  
Will keep you informed of process and progress in obtaining my new ten year Passport with my changed gender.  
Love & Peace
